

GSK Canada AODA Multi-Year Plan

2020-2023

Initiative	Requirements	Actions Completed
Establishment of Accessibility Policies	Develop, implement and maintain policies governing how the organization achieves or will achieve accessibility through meeting its requirements under the accessibility standards.	Established policies were reviewed in 2022 to align with current AODA legislation.
Accessibility Plans	Review established accessibility plan periodically and post the plan on the company website.	Revised multi-year accessibility plan was created for 2020-2023 time period. AODA Working Team is working to complete action plan by Dec 2023. 2020-2023 multi-year accessibility plan is posted on company website.
Training	Ensure that employee training is provided on the requirements of the accessibility standards referred to in this Regulation and on the Human Rights Code as it pertains to persons with disabilities.	Existing AODA training module content was reviewed in 2022 to ensure it continues to comply with legislation. Existing and new employees completed AODA training.
Feedback	Ensure there is a feedback process for persons with disabilities and provide accessible formats and communications supports, upon request.	Accessibility policy, employee feedback and customer feedback processes and forms were reviewed in 2021 and are always available.
Accessible Formats & Communication Supports	Provide or arrange for the provision of accessible formats and communication supports for persons with disabilities.	Accessibility policy and processes were reviewed in 2021 and are still in place to ensure ongoing accessible formats and communication supports are available for both employees and customers with disabilities when requested.
Emergency Procedures, Plans and Public Safety Info	Provide emergency procedures, plans and public safety information in an accessible format or with appropriate communication supports, as soon as practical, upon request. Provide individualized workplace emergency response information to employees who have a disability, when accommodation is requested.	Existing emergency procedures and plans were reviewed in 2022 to ensure they meet legislative requirements. Accommodation plan and process was reviewed in 2022.
Accessible Websites & Web Content	Page 1 of 2 Make internet websites and web content conform with the World Wide Web Consortium Web Content Accessibility Guidelines	All websites and web content were reviewed in 2022 and updates were made to meet or exceed Accessibility Guidelines WCAG WAI 2.0 Level AA requirements.
